

### Additional school/curriculum related expenses

In addition to the annual Materials and Services charge, several other curriculum related expenses may be incurred by families during a school year. We endeavour to keep costs as low as possible and at times subsidise part/full excursion costs from school budget lines, where applicable.

### Full participation programs

\*Please note these are approximate dates and costs and are subject to change – information is provided to families with approximately 4 weeks' notice.

### Class-based Curriculum Excursions

Classes/Specialist teachers may organise additional excursions/incursions to the above based on their specific year level curriculum differing from year to year – these may include excursions/incursions.

For example – South Australian Parliament, Migration Museum, SA Museum and/or Art Gallery, Adelaide Zoo, Lab on Legs.

Information on upcoming excursions should be provided in Class Term Overviews or with at least 4 weeks' notice. On occasion opportunities do arise for participation in local events and these may/may not incur a cost to families.

### **End of Year Celebration Excursions**

Classes may elect to celebrate the end of the year with an excursion – these may include going to the cinema or local aquatic centre – costs may vary up to \$25.00
